NOVEMBER 2010

PRESIDENT'S CORNER:

What a wonderful time to out and about....Square Dancing. I recently had an interview spot on KZOK 102.5 radio. It was wonderful. I had a great time. Joe Clein was with me and we talked turkey about Square Dancing and Joe was a caller at one time and had a club. So you never know who you might meet who has had the square dance fever. Our callers are fabulous and our cuers are awesome this fall. Our club lessons are in full swing. The Plus classes will continue. On Nov. 3rd a new set of square dance classes will start. Our club needs everyone to support the club's continued growth and awesome dances.

We can now be located at www.ucandance2.org, goggle maps, Prime Northwest News, the Everett Herald, our Mount Baker Council website and Craigslist; just to mention a few. Also thanks to Audrey, the Club members have a Newsletter every month and we have flyers advertising lessons and club dances. It is a great idea to post the flyer at your local grocery store or a community activities board and even a doctor's office. Yes, everywhere we visit; or simply have one with you. You never know. Also if you are a Facebook fan, search Square Dancing...you will find us. Word of mouth is the best way to support our club. So let's all start talking about Square Dancing and watch our club grow. Our members are awesome and we would love to share a square and be YOUR CORNER or PARTNER. See you soon on the square dance floor. Pres. Sally Buckingham

THE SPOTLIGHT EDITOR IS STILL ON VACATION.
