

Mt Baker Council Delegate Report Form

Meeting Month: _____

**Club/Committee
Position name:** _____

Delegate's name: _____

Written report:

Keep your report short and factual. This paragraph is about 75 words, the suggested length of your written report. You can leave out of the written report statements like “we look forward to dancing with you soon”. Think “just the facts”. Our Nov 3rd dance is a level dance called by Spyder Webb, collecting for NW Harvest. The caller for our Nov 17 Plus dance is Andy Garboden.

Members will see this report in the month following when you give it so highlight dances in that month, not the month you give this report.
