2 on next slide

 New Dancer Handbook

Will show you how to do each Square Dance move.  
You can download Taminations to your phone or iPad.

## Fun Stuff!

### Saddlebrooke Squares

Check out their website and great video square dance lessons. Click [here!](#)

## Want to know how to Spin the Top?

Check out Taminations and watch little squares and circles dance. You can watch on your computer or download the app for either Android or Iphone. Click the image to view on your computer.

1. Attend level dances. This give you floor time which reinforces the moves and allows you to be more confident.

2. Attend other lessons. This give you floor time, it reinforces the moves.
